Reyna Jelbert - “Medusa” **Winner**

Reyna Jelbert from Townsville. Qld

“Medusa”

I was inspired to create “Medusa” after seeing a face-like apparition in the opal. I felt challenged to create a piece of jewellery to compliment this Opal and what I had seen in it. Also to improve my skills at the bench. Rose Gold was my choice as I believe it’s colour best suits this particular Opal.

Category 3 - Professional

Leon Parry – “Kaleidoscope” **Winner**

Leon Parry from Townsville. Qld

Kaleidoscope

Kaleidoscope is an 18Ct. Rose Gold/18Ct. White Gold and Titanium Pendant, Pave Set with 36 points of diamonds and a 9.68 Ct. Queensland Boulder Opal.

The Opal was mined at Kynuna.

Leon was inspired to create “KALEIDOSCOPE” to show the world the unique colours of Queensland’s very own Boulder Opal.
